STCC announces expanded hours to enroll for Jan. 22 classes

SPRINGFIELD – Springfield Technical Community College has extended hours of operation for most enrollment offices to assist anyone who would like to sign up for spring semester classes, which start Jan. 22.

The following offices are now open 7:30 a.m.-7 p.m., Monday-Thursday, and 7:30 a.m.-5 p.m. on Fridays:

Admissions, Student Financial Services, Registrar, Testing and Assessment Center, Academic Advising and Transfer Center.

All enrollment offices are in the newly opened Ira H. Rubenzahl Student Learning Commons (Building 19), located on the Pearl Street side of the campus.

“Our new expanded hours will be particularly helpful for people who are working or have commitments during the day,” said STCC Dean of Admissions Louisa Davis-Freeman. “Stop by at your convenience during our new hours, and we will be happy to help you.”

STCC will hold Late Registration Week Jan. 14-Jan. 18. During that time, prospective students who bring their of-

ficial high school transcript(s) or passing GED scores or HiSET certification will get instantly accepted.

Davis-Freeman advises anyone interested in enrolling for the spring semester to stop by the Student Learning Commons at STCC before Late Registration Week if possible.

“Act now to get the best course selection and financial aid assistance,” she said. “We will help you with everything you need to get started for classes on Jan. 22. You can apply to a program, meet with an advisor, select and register for courses, pay your bill and receive your schedule in one easy visit.”
