STCC wrestling teams wrap up successful season

The men and women's wrestling teams at Springfield Technical Community College wrapped up a successful season at the 2019 NCWA National Wrestling Championships in Allen, Texas.

The men's team came in fifth place out of 77 colleges with five wrestlers being named All-American. The women's team captured third place in the nationals, with two All-Americans. The teams competed March 14 through 16 in the National Collegiate Wrestling Association Championships.

The Rams also earned

some individual academic honors. Earning 2019 NCWA All-Academic Team honors were Jacob Berry and Mike Clark. On the women's team, Cristal Reyes received the honor.

To be eligible for the academic honor, nominees must have at least a 3.25 grade point average on a 4.0 scale.

"To be named and NWCA All-Academic team is a huge accomplishment," said Ram head coach Alberto Nieves. "As a team and staff we talk about academics on a daily basis and to have both the men's and women's on the

All-Academic Team is really impressive. It demonstrates how well-rounded these students are at STCC and how well balanced they are on and off the wrestling mat."

Nieves was voted men's Coach of the Year for the third year in a row for the Northeast conference. Asnage Castelly was voted women's Coach of the Year for the Northeast conference.

The men defended the conference championship for the third time and finished the season with a 10-4 record.

Here are the men's indi-
