

## **SPRINGFIELD**

# **STCC welcomes artists**

Springfield Technical Community College will host its second annual portfolio day on Jan. 30. Students from area schools — as well as the general public — are invited to show their creative work to art professors for feedback and suggestions. A collaboration between STCC, Westfield State University and Springfield Public Schools, the event will be held from 3 to 5 p.m. on the seventh floor of Scibelli Hall (Building 2). Professors from STCC and Westfield will be on hand to look through students' portfolios. For more information, contact Francie Riddle, chairwoman of STCC's fine arts department, at 413-755-5288 or email [fmriddle@stcc.edu](mailto:fmriddle@stcc.edu).
