

Meet the Student Ambassador

Audrey Hayes

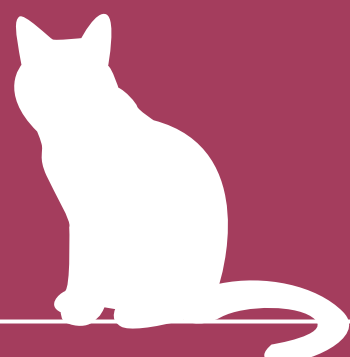

When I returned to school, I found a community that felt like home, and I'm grateful to have met some truly wonderful people here, many of whom have become like family. I'm a mother of four, although my eldest son has been in Heaven for 28 years. I'm also blessed with two wonderful grandsons and am a devoted fur mom. Even though my beloved cat, Egypt, has passed on, he remains in our hearts. In my free time, I love to read and take long walks. My favorite pastime, though, is laughing –it truly cleanses my soul!

Quick Facts

Major: Medical Coding & Billing Specialist
Hometown: Palmer, MA
Favorite Color: Red
Favorite Animal: Cat

Office Hours

Monday 9:00am - 11:00am
Thursday 9:00am - 11:00am

Why did you become a Student Ambassador?

I became an ambassador because I wanted to actively participate in campus activities rather than just watching others have fun. I wanted to join in and enjoy myself too. SAP and SGA have amazing people, and being an ambassador has been the most enjoyable part of my collegiate experience. Meeting new people has been the highlight. Plus, I'm embracing being a social butterfly, even at my big old age. Life is short, so make sure to enjoy every moment!

Student Ambassador Office, Building 19, 1st Floor
