
Meet the SGA Treasurer

Christopher Maldonado

I am a tech enthusiast who loves exploring and learning about the latest advancements. I enjoy spending time in nature, whether it's out on the water or hiking a trail. I also have a passion for combat sports, which began when I was young as a fan of WWE. This interest eventually led me to explore both pro and amateur wrestling. All in all, I am multifaceted.

Why did you choose to join Student Government?

My interest in joining the SGA arose from my own experiences as a returning student. I found it very difficult to acclimate to my busier schedule and was unable to attend school events and other activities. Despite this, my interest in being involved in school has always been high. Moreover, I'd like to be an influential part of the STCC community. Not only could I share my experience and knowledge with like-minded individuals, but I can also be part of the solution to the problems faced by my fellow students
