

# Meet the Student Ambassador

## Emery Sloat

I tend to be a laid-back individual. My humor is typically dry, consisting of funny punchlines and inside jokes. In my free time, I enjoy nature, fishing, hiking, and spending time with my family and friends. Although my favorite animal is a dog, I have a cat named Junior who spends most of his time outside. I am always open to meeting new people, so don't be afraid to reach out to me with questions or for conversation.

### Why did you become a Student Ambassador?

I became an ambassador to contribute to the STCC community and expand my social circle. I'm also excited about the opportunity to explore the campus more. Being an ambassador offers a fantastic chance to connect with new students and enrich my overall college experience.
