

# Meet the Student Ambassador

## Ronald Schneider

I'm here to have fun, learn, and assist wherever I can at STCC. As a graphic design major starting my second year, I transitioned from working in IT during high school to pursue my passion for graphic design. I earned the rank of Eagle Scout by leading and managing large-scale community projects. This past summer, I worked at a camp in various roles, including as a range master, where I taught younger cub scouts about safety and proper use of ranged equipment.

### Why did you become a Student Ambassador?

I intend to further improve my leadership skills and actively participate in college events. Given my experience in leadership roles, I saw becoming a student ambassador as a great opportunity. I hope to assist students who need guidance or general insight to get through their semester successfully.
