

# Meet the Student Ambassador

## Tamara Jordan

I am a wife and mother of three beautiful children. I am currently majoring in Criminal Justice, with an interest in becoming a police officer or a probation officer. My experience as a mobile patrol security officer and working in the court system has deepened my interest in the crime and justice systems and in advocating for safer communities. I love spending time with family and friends, but I also enjoy moments alone, listening to music or watching a good show.

I want to be fully involved and experience all that college life has to offer, and I believe becoming a Student Ambassador will help me achieve that. Being a Student Ambassador will enhance my leadership skills, help me form new friendships, and provide a multitude of opportunities.
